

# OUR GIRL SCOUT STORY

## A History Patch (Daisy Level) Girl Scout Council of the Southern Appalachians

**Purpose:** This patch, which was created by the Girl Scout Museum at Daisy's Place, offers troops or individual girls an opportunity to learn about the history of Girl Scouting in the U.S.A. and in the Girl Scout Council of the Southern Appalachians.

**Resources:** A Leader's Booklet and resource materials for the five sections below are contained in a "Wheelie" (a suitcase with wheels) available for checkout at each Service Center. The Internet is also a great resource.

### 1 - JULIETTE GORDON LOW: THE FOUNDER OF GIRL SCOUTING IN THE USA

#### **DISCOVER AND CONNECT:**

Read or listen to someone read about Juliette Low. See the Resource List, Leader's Booklet and the Wheelie for books, and/or use the Internet to "discover" information. Then answer the following questions?

- a. Where was Juliette Low born?
- b. What holiday helps us remember when she was born?
- c. What was her nickname? Who gave it to her, and why?
- d. What pets did she have?
- e. What were her favorite activities?

**TAKE ACTION: Required:** The flag ceremony has been an important part of Girl Scout troop meetings since Juliette Low started Girl Scouts. Learn and practice doing flag ceremonies. (You might consider starting each troop meeting with a flag ceremony.)

#### **Then, complete any two activities below:**

- a. Look at the vintage uniforms in the Wheelie or at the Service Center or museum. Discuss how they are the same or different from the uniform that Juliette Low wore.
- b. Visit the Girl Scout Museum at Daisy's Place and try on a vintage uniform. (Reservations needed two weeks in advance for try-ons).
- c. Color the uniforms of different eras in Girl Scouting. You may use a paper doll pattern or photocopy the pattern in the Wheelie or from another source.
- d. Have a Juliette Low birthday party or a tea party and taste something that she would have eaten as a girl or adult.
- e. Play a game that Juliette would have played as a girl.

## 2 - THE HISTORY OF GIRL SCOUTING IN THE U.S.A.

### **DISCOVER AND CONNECT:**

- Watch the first 10 + minutes of the video, *The Golden Eaglet*. Discuss how Girl Scouting has changed.
- Where is the correct place to wear your Girl Scout Daisy membership pin— over your heart or on the other side?
- There are two styles of official membership points for Girl Scout Juniors through adults, traditional & contemporary. Which one came first—the one with the eagle or the one with the faces?

### **TAKE ACTION: Complete any two activities below:**

- Make a bedroll like the one in *The Golden Eaglet* video and try it out. Show how to carry it. How is it different from a slumber bag?
- Draw or do a coloring activity to show a part of Girl Scout history (camping, older uniforms, selling cookies, semaphore flags, etc). Display your work and/or tell others about it.
- Act out the famous phone call that Juliette made to her cousin when she decided to start Girl Scouting here in the United States.

## 3 - WAGGGS: GIRL SCOUTS AS PART OF THE WORLD ORGANIZATION

### **DISCOVER AND CONNECT:**

- You are a Girl Scout Daisy. What is a Girl Guide? Are we all friends?
- What do the letters “WAGGGS” stand for? (There are Three letter G’s)
- What is the World Trefoil Pin? What do the two stars stand for?
- Where should the World Trefoil Pin be worn on your uniform?

### **TAKE ACTION: Complete any two activities below:**

- Play a game from one of the WAGGGS member countries.
- Learn about World Thinking Day. Plan to take part in a Thinking Day activity.
- Taste food from another country.

## 4 - GIRL SCOUTS OF THE SOUTHERN APPALACHIANS

### **DISCOVER AND CONNECT:**

- What is the complete name of our Council, and the abbreviation?
- What is your troop number? What are your leader’s names? Where is your meeting place?

### **TAKE ACTION: Complete any two activities below:**

- Visit The Girl Scout Museum or one of the other Council properties.
- Ask a Girl Scout who has been a member for a least 20 years to tell you what games she played, what songs she sang, and what her troop did that your doesn’t.
- Which Girl Scout camp is closest to where you live?

## 5 - GIRL SCOUTS PRESERVING THE PAST

### **DISCOVER AND CONNECT:**

- a. In Juliette Low's time, were there Girl Scout Daisies? How old were the youngest Girl Scouts? Discover where the name Girl Scout Daisy came from.
- b. What are the three highest awards a girl can earn in Girl Scouts? What was the highest in Juliette Low's time?
- c. Listen to or read a story about Girl Scouting in the past.

**TAKE ACTION: Required:** Singing has always been important in Girl Scouting. Learn or help teach some traditional Girl Scout songs. Ex: *Make New Friends, The Brownie Smile Song, Girl Scouts Together, When E're You Make a Promise, Taps*. You might learn a song about Girl Scout Daisies and sing it for others.

### **Then complete one activity below:**

- a. Create an exhibit about Girl Scouts Past and Present and display it at school, a library, church, store etc.
  - b. After you listen to or read a story about Girl Scouting in the past, draw a picture to tell about it.
-
