Summer Series: Sewing Patch with Embroiderers’ Guild of America

Knoxville • June 12

We’re sew into summer. Learn to thread a needle, sew buttons, and other techniques from the Embroiderers’ Guild of America. This workshop is open to Juniors and Cadettes, though adults may register to attend as well. Pizza will be served for lunch. Please send your dietary allergies or food restrictions to info@girlscoutcsa.org. Patch included!

Daisy Toy Business Designer Badge Workshop

Knoxville • June 14

Entrepreneurship is about solving a problem, making the solution even better, then sharing it with others. Think hard, work hard, play hard in this workshop where we tackle the problem of summer boredom. Girl Scouts will brainstorm an idea for a new toy, re-think how it could be better, then share their idea with others. When the workshop is over, attendees will have completed the Daisy Toy Business Designer badge.

Smart Robotics Camp (Oak Ridge Computer Science Girls)

Maryville • June 10-13

Robotics and machine learning and artificial intelligence are revolutionizing our daily lives. In this four day camp, we will cover machine learning, coding in Python and programming a smart robotic arm, and teach it to stack blocks, sort trash and more. This camp is for raising 6-10th grade girls who want to explore the world of smart robots in an all girls environment and explore coding, technology, artificial intelligence and robots. Some experience with coding is helpful but not strictly required.

Camp fee is $50, and applications are REQUIRED by April 1.
Robots Day Camp (Oak Ridge Computer Science Girls)

Maryville • June 14

This event is designed for rising 2nd - 4th grade girls with no or very little prior programming experience.

Curious about robots? Meet Edison (www.meetedison.com), a Lego compatible robot that is fun and easy to program. In this workshop everyone will have the opportunity to learn about robots, play with Edison and program it to avoid obstacles or follow a line or make silly sounds.

Juniors (5th grade) and Cadettes will earn the Robotics: Programming Robots badge during this workshop! Badge NOT included.

Class is FREE, but registration is REQUIRED. These classes are small and fill quickly. Be sure to read the No Show policy before you register.

Eye Spy Energy with KUB

Knoxville • June 20

KUB’s Eye Spy Energy Kids’ Workshop makes saving energy fun! In partnership with TVA EnergyRight, the EnergyRight Monsters show kids where energy comes from, why it’s important to save it, and fun ways they can conserve.

This workshop is designed for children in grades K-5. After learning about everything from energy sources and power generation, to turning off the lights when they leave a room, kids will come away from the Eye Spy Energy Kids’ Workshop ready to help you save energy and money. This workshop will take place at the Knoxville GS Leadership Center.

Mean Girl Management for Juniors and Cadettes

Knoxville • June 19

In movies, books, and TV shows, it often seems only certain people are mean girls or bullies. The reality is that anyone can be a bully for any amount of time—even ourselves and our closest friends. We are all complex creatures who want to experience love and connection. Sometimes we experience the opposite of love and connection which harms us and makes us want to act out in one way or another. Mean Girl Management will help you make sense of experiences so you can better communicate how you’re feeling and learn how to set boundaries for the future. This workshop is for all Juniors and Cadettes who aspire to be the best versions of themselves.
Girl Scout Sleepover at XPERIA: Ocean Journey

Sevierville • June 22-23

### First Aid, CPR, and AED for Adults and Children

#### Knoxville • July 9

This is a blended-learning training with a pre-class online component which participants are required to complete prior to attending.

Registration is required and participants who successfully complete the class will receive a two-year certification through the American Red Cross.

At least one adult from every troop is required to have this training. Cadette (8th grade), Senior, and Ambassador girls are welcome to register as part of earning their First Aid badge. Troop funds may be used to satisfy this requirement.

Registration closes 2 weeks prior to training date to allow you time to complete the online components.

Due to the high demand of this course-- and in order for us to use resources wisely-- refunds will NOT be available after registration has closed. An email with the link and instructions for the online portion will be emailed 10-14 days before the class, and it is participants’ responsibility to check for that email (spam, junk, etc). If you do NOT receive the email, email info@girlscoutcsa.org, and we will re-send.

Power Line Safety Demonstration with KUB

Knoxville • July 13

It’s electric! KUB’s high voltage trailer demonstration illustrates the dangers associated with personal safety around electrical power sources. Led by overhead construction crew members, registrants will witness electrical arcs, electrical faults, how to avoid dangerous situations, and how personal protective equipment is used. Warning, this demonstration may be loud! Participants will be provided with a KUB patch.

Summer Series: Dungeon Scouts

Knoxville • July 15

Tabletop role-playing games (or TTRPGs) allow players to create characters and stories, often in a predefined setting or genre. Play-acting a unique character is a big part of such games, as each player takes on the role of a hero in the adventures they experience together. One player, the Game Master (or GM), is responsible for arbitrating rules, creating the basic storyline, and assuming the roles of all the creatures and characters the other players encounter. Tabletop role-playing games are a great social activity that promote problem solving, literacy, math, and teamwork skills while fostering imagination and creativity.

We will be running the Dungeon Scouts campaign created in partnership with Girl Scouts of San Diego. Girls will get to create their own character and go on an adventure in the fantasy realm of Elustra with a small group of other Girl Scouts) led by GSCSA staff. Dungeon Scouts is a great way for girls to have fun and learn about TTRPGs in a safe environment created just for them.

Both new and experienced players are welcome, and girls do not need to bring any supplies.

Girl Scout Night at One Knox SC (Sweeper’s Bday Party Theme) vs. Chattanooga Red Wolves SC

Knoxville • July 20

Whether you’re an avid soccer player or you’ve never watched the sport, July 20th is the night for you. Join us for a cross-council rivalry: One Knox SC vs the Chattanooga Red Wolves. We’ll also be celebrating Sweeper, the One Knox mascot’s, birthday. Girl Scouts are offered discounted tickets and are encouraged to wear their uniforms.
