

Girl Scout Appreciation Days at Ripley's Aquarium

Gatlinburg • February 1-29

During the whole month of February 2024, Girl Scouts are offered discounted admission into the Aquarium for \$10.99 +tax (where applicable). Four additional guests will receive discounted admission of \$19.99 +tax per person. They must be registered a registered Girl Scout wearing their uniform to receive the discount and go to Guest Services. No reservations are required.

Visit <https://www.ripleyaquariums.com/gatlinburg/> for more information about Ripley's Aquarium.

Museum at Daisy's Place: Brownie First Aid Badge

Knoxville • February 3

Work with our Museum at Daisy's Place volunteers to earn your Brownie First Aid Badge.

Find out what to do in an emergency so you can be prepared if the unexpected happens.

1. Find out how to get help from 911
2. Talk to someone who treats injured people
3. Make a first-aid kit
4. Learn how to treat minor injuries
5. Know how to prevent and treat outdoor injuries

When you've earned this badge, you'll know how to get help in an emergency and treat minor injuries.

Activities

Exploring the Microscopic World with the Foldscope (Oak Ridge Computer Science Girls)

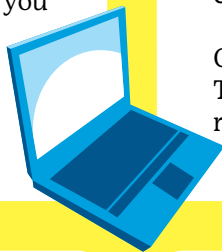

Maryville • February 3

This event is designed for 5th to 10th grade girls with no or very little prior programming experience.

Explore tiny things with Foldscope (www.foldscope.com), a paper microscope you build yourself. See things like bacteria and microorganisms as well as larger samples like insects, plants, fabrics, and tissues. Best of all you can take it home.

Class is FREE, but registration is REQUIRED. These classes are small and fill quickly.

Machine Learning (Oak Ridge Computer Science Girls)

VIRTUAL • February 10

This event is designed for 5th to 10th grade girls with no or very little prior programming experience.

Explore tiny things with Foldscope (www.foldscope.com), a paper microscope you build yourself. See things like bacteria and microorganisms as well as larger samples like insects, plants, fabrics, and tissues. Best of all you can take it home.

Class is FREE, but registration is REQUIRED. These classes are small and fill quickly. Be sure to read the No Show policy before you register.

Craft Club (Valentines)

Knoxville • February 7

February's Craft: Making Valentines! Girls can make Valentines to donate to nursing home residents and brighten up their day!

Cadettes, Seniors, and Ambassadors are invited to Craft Club! Craft Club is a casual, hangout space for older Girl Scouts to learn a craft and spend time with friends.

Cost is \$5, includes all craft supplies. Registration is required for this event.

Girl Scout Appreciation Days at Alcatraz East

Pigeon Forge • February 10-18

TO PURCHASE TICKETS: visit <https://www.alcatrazeast.com/girl-scouts/>

All Girl Scouts who come to the museum in their Girl Scout uniform or provide proof of Girl Scout membership can get into the Museum for \$12 per person + tax (where applicable). This rate also applies to Chaperones & Tag Alongs. SCOUT EXCLUSIVE: Snag a special Alcatraz East participation badge for \$3 + tax (where applicable)!

Activities

Movement Monday

Knoxville • February 12

Whether you're interested in stretching and mindfulness or you're simply looking for a cool new patch, this event is for you. Daisies, Brownies, Juniors, and Adults are invited for a night of guided rest and relaxation.

Bring your own yoga mat! If you are not able to bring one, no problem. Email lhiggins@girlscoutcsa.org to let her know.

Girl & Caregiver Event: Movie + Blanket Making

Knoxville • February 14

Happy Valentines Day! Join us for Princess Diaries and blanket-making. The most important part of this event is celebrating the love between girls and their caregivers.

Girl Scouts and caregivers may choose to keep the blankets they make, or allow us to donate to unhoused neighbors.

Light snacks will be provided.

First Aid, CPR, and AED for Adults and Children

Knoxville • February 13

This is a blended-learning training with a pre-class online component which participants are required to complete prior to attending.

Registration is required and participants who successfully complete the class will receive a two-year certification through the American Red Cross.

At least one adult from every troop is required to have this training. Cadette (8th grade), Senior, and Ambassador girls are welcome to register as part of earning their First Aid badge. Troop funds may be used to satisfy this requirement.

Registration closes 2 weeks prior to training date to allow you time to complete the online components.

Girl Scout PJ Party with the Penguins at Ripley's Aquarium

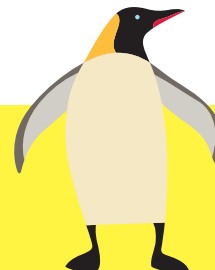

Gatlinburg • February 17-18

To register, visit <https://www.ripleyaquariums.com/gatlinburg/education/scouts/> or contact gbclassroom@ripleys.com

Bring your penguin pajamas and find out what these birds do at night when you spend the night at the Ripleys Aquarium of the Smokies Penguin Playhouse! After a fun-filled night including a dive show, scavenger hunt and late night activity, drift off to sleep while penguins keep a watchful eye on you! In the morning you'll get a chance to meet them one-on-one.

This is NOT a drop off event.

Price: \$75.00+tax (where applicable) per person.

Activities

World Thinking Day

Knoxville • February 19

Come celebrate World Thinking Day with us at GSCSA! We will celebrate World Thinking Day by participating in several activities included in the GSUSA 2024 Activity Guide.

This is a drop-off event.

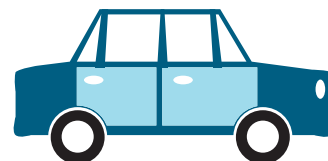

2024 World Thinking Day Award included.

Beyond a Brick: Daisy-Junior Automotive Badge Workshop

Knoxville • February 19

Learn how automotive engineers plan, build, test and improve vehicles! Girls who participate will earn Automotive Badges 1, 2, and 3. Girls will build with Legos to earn these badges. Badges are NOT included.

World Thinking Day

Knoxville • February 19

Come celebrate World Thinking Day with us at GSCSA! We will celebrate World Thinking Day by participating in several activities included in the GSUSA 2024 Activity Guide.

This is a drop-off event.

2024 World Thinking Day Award included.

Activities

Museum at Daisy's Place: Junior First Aid Badge

Knoxville • March 2

Work with our Museum at Daisy's Place volunteers to earn your Junior First Aid Badge.

Find out how to help people when they're ill or injured and learn how to respond during an emergency.

1. Learn the first steps to take in an emergency
2. Talk to first responders
3. Make a portable first-aid kit
4. Find out how to handle urgent first-aid issues
5. Know how to take care of someone who's sick

When you've earned this badge, you'll know how to help people who are sick or hurt.

Due to limited space, we do not have room for parents/caregivers to stay with their child.

Guided Hike: Reach for the Peaks (Fort Loudoun State Historic Park)

Vonore • March 9

Join us for a guided 2 mile, ranger led hike at Fort Loudoun State Historic Park!

Registration is \$10. Anyone who registers will receive the Reach for the Peaks patch and knapsack from the Girl Scouts of Southern Appalachians. Participants should bring proper footwear for hiking and water. In case of forecasted inclement weather participants will be notified ahead of time and the hike will be rescheduled. Contact lhiggins@girlscoutcsa.org for questions about registration.

Movement Monday

Knoxville • March 4

Whether you're interested in stretching and mindfulness or you're simply looking for a cool new patch, this event is for you. Daisies, Brownies, Juniors, and Adults are invited for a night of guided rest and relaxation.

Bring your own yoga mat! If you are not able to bring one, no problem. Email lhiggins@girlscoutcsa.org to let her know.

Activities

Guided Hike: Reach for the Peaks at Seven Islands (Seven Islands State Birding Park)

Kodak • March 9

Pre-Registration is REQUIRED for this program hike. Please click REGISTER FOR EVENT to reserve your spot.

Join Ranger Stephanie for a guided 3.1 mile hike along the trails of Seven Islands State Birding Park to get outdoors during the Girl Scouts Reach for the Peaks event. The hike will be easy-moderate difficulty and cover various trail surfaces from pavement to dirt and grass. We will explore the habitats along the sides of the Bobwhite ADA Trail and learn about the birds, wildlife, and plants found in the park. The hike will also encompass the entire 1 mile of loop trails on the island. To finish the hike, the group will hike down Seclusion Bend/Seven Islands Loop Trail to hike a new section of re-routed trail worked on by a Girl Scout for her Gold Award. The final stretch of the hike will be along Kelly Lane Greenway and back to the main entrance area.

Registration is \$10 per Girl Scout and \$3 per parent/chaperone. Scouts that register for the hike will receive the Reach for the Peaks patch and knapsack from the Girl Scouts of Southern Appalachians. The hike will start at the Bluebird Barn at the main entrance off of Kelly Lane at 10:00am. Participants should bring proper footwear for hiking and water. In case of forecasted inclement weather participants will be notified ahead of time and the hike will be rescheduled. If you have any questions regarding this program hike please contact Ranger Stephanie at stephanie.mueller@tn.gov or 865-333-8270.

Bagpipe Demonstration & History

Knoxville • March 11

Sliante! (pronounced slawn-che). Help us kick-off Girl Scout week with an early celebration of St. Patrick's day. A member of Knoxville Pipes and Drums will reveal the mystery of how bagpipes work. They will also share a bit of bagpipe history. Be prepared--bagpipes are very loud! Earplugs will not be provided.

This event will take place in the courtyard of 1567 Downtown West Blvd and may be cancelled due to weather.

The Power of Spreadsheets and Charts (Oak Ridge Computer Science Girls)

VIRTUAL • March 16

This event is designed for 5th to 10th grade girls with no or very little prior programming experience.

Data are all around us but spread sheets can do more than just show a big table of numbers. You can organize your data, perform calculations and show your data in a chart. Learn how to become a data wizard and make the most of those numbers. In this class you will learn all about how to unlock the secrets of those numbers and tell their story using charts.

Class is FREE, but registration is REQUIRED. These classes are small and fill quickly. Be sure to read the No Show policy before you register.

Activities

First Aid, CPR, and AED for Adults and Children

Knoxville • March 19

This is a blended-learning training with a pre-class online component which participants are required to complete prior to attending.

Registration is required and participants who successfully complete the class will receive a two-year certification through the American Red Cross.

At least one adult from every troop is required to have this training. Cadette (8th grade), Senior, and Ambassador girls are welcome to register as part of earning their First Aid badge. Troop funds may be used to satisfy this requirement.

Registration closes 2 weeks prior to training date to allow you time to complete the online components.

Due to the high demand of this course-- and in order for us to use resources wisely-- refunds will NOT be available after registration has closed. An email with the link and instructions for the online portion will be emailed 10-14 days before the class, and it is participants' responsibility to check for that email (spam, junk, etc). If you do NOT receive the email, email info@girlscoutcsa.org, and we will re-send.

Craft Club (Stitch & Sew)

Knoxville • March 20

March's Craft: Stitching!

Cadettes, Seniors, and Ambassadors are invited to Craft Club! Craft Club is a casual, hangout space for older Girl Scouts to learn a craft and spend time with friends.

Cost is \$5, includes all craft supplies. Registration is required for this event.

Using the MicroBit for Biometrics (Oak Ridge Computer Science Girls)

Oak Ridge • March 23

This event is designed for 5th to 10th grade girls with no or very little prior programming experience.

Biometrics are used all around us, but how do they work? Learn about circuits and biometric sensors. We will be using the MicroBit (www.microbit.org) as our brain to measure signals and even hook up a heart beat monitor and measure our pulse. No experience with electronics needed.

Juniors (5th grade) and Cadettes will earn the Coding for Good 1: Coding Basics badge during this workshop! Badge NOT included.

Class is FREE, but registration is REQUIRED. These classes are small and fill quickly. Be sure to read the No Show policy before you register.

Activities

Eye Spy Energy with KUB

Knoxville • March 27

KUB's Eye Spy Energy Kids' Workshop makes saving energy fun! In partnership with TVA EnergyRight, the EnergyRight Monsters show kids where energy comes from, why it's important to save it, and fun ways they can conserve.

This workshop is designed for children in grades K-5. After learning about everything from energy sources and power generation, to turning off the lights when they leave a room, kids will come away from the Eye Spy Energy Kids' Workshop ready to help you save energy and money.

Introduction to Python (Oak Ridge Computer Science Girls)

VIRTUAL • March 30

This event is designed for 5th to 10th grade girls with no or very little prior programming experience.

Python is one of the fastest growing programming language and is especially popular in many areas of science. In this class girls will learn the basics of Python, get to know the cool Jupyter Notebooks and venture into working with data.

Juniors (5th grade) and Cadettes will earn the Coding for Good 1: Coding Basics badge during this workshop! Badge NOT included.

Class is FREE, but registration is REQUIRED. These classes are small and fill quickly.

Be sure to read the No Show policy before you register.

Fossil Fools' Day!

Knoxville • April 1

We will learn about Fossil Fuels on April Fools Day, hence, the wordplay - Fossil Fools' Day! This day was created to raise awareness about environmental concerns as a result of the burning of fossil fuels. Come earn the Girl Scout Tree Promise patch to learn how trees can help correct the damage the fossil fuels has on our environment.

Museum at Daisy's Place: Daisy Safety Award Pin Workshop

Knoxville • April 6

Work with our Museum at Daisy's Place volunteers to earn your Daisy Safety Award Pin.

Learn how to stay safe on your Daisy adventures!

1. Understand what to do if you get lost.
2. Find out what you should do if you or someone else is choking.
3. Learn how to "stop, drop, and roll."

Due to limited space, we do not have room for parents/caregivers to stay with their child.

Activities

Love Your Camp: Camp Tanasi

Camp Tanasi • April 6

Join us for our annual Love Your Camp event to help us get Camp Tanasi ready for another season of Girl Scout camping!

There are many project--from cleaning to litter to delivering firewood to units--that will help us ensure Camp Tanasi is ready for another season of outdoor adventures. This is a great event for troops to get service hours, work together and explore our beloved Camp Tanasi! Girls are welcome to bring their families (no children under Kindergarten age, however, may be at camp).

There will be projects for girls of all grade levels. Please bring your own rakes, shovels, brooms, and work gloves so we can accomplish more together! All other supplies will be provided. Gate will open at 10am.

Beyond a Brick: Brownie-Cadette Lego Architecture City Planning

Knoxville • April 6

Basic architect principles will be taught and applied when the class builds and designs their own city out of Legos. A special patch will be available for purchase after completion of this workshop for \$5.00.

First Aid, CPR, and AED for Adults and Children

Knoxville • April 9

This is a blended-learning training with a pre-class online component which participants are required to complete prior to attending.

Registration is required and participants who successfully complete the class will receive a two-year certification through the American Red Cross.

At least one adult from every troop is required to have this training. Cadette (8th grade), Senior, and Ambassador girls are welcome to register as part of earning their First Aid badge. Troop funds may be used to satisfy this requirement.

Happy Accidents for Daisies (Art & Design Badge Workshop)

Knoxville • May 17

There's no such thing as mistakes in this class, only happy accidents! Daisies and their adults are invited to join us for an Art & Design badge workshop where we'll explore how beauty can come from even the most unexpected problems. All participants will leave with a one-of-a-kind creation. Warning, this class may get messy! Cost is \$5, includes all craft supplies. Registration is required for this event.

Girl Scout Day at XPERIA: Ocean Journey

Sevierville • May 18

There's no such thing as mistakes in this class, TO REGISTER: Contact Mackenzi Penrod at mpenrod@xperiaupclose.com or (865) 806-8753.

Girl Scouts will have the opportunity to explore the ocean and its inhabitants, build an ocean in a bottle and gain valuable insights into the importance of conservation.

Juniors will complete steps to earn their Animal Habitats badge. Badge is not included, but all girls will get a special Girl Scout XPERIA patch for attending. Activities open to all girls attending.

PLEASE NOTE: XPERIA is a digital experience and contains some elements of nature that may be intense for younger girls. May not be recommended for Daisies. Please visit XPERIA's website to learn more before attending with a younger girl.

XPERIA: Ocean Journey is a family-friendly digital experience that transports you into the depths of the ocean without getting wet!

This is a first-of-its-kind adventure in the Smoky Mountains that blends a walk-through experience with immersive storytelling, interactives, and CGI animation. You'll explore captivating underwater landscapes, interact with incredible sea creatures, and get to enjoy the spectacle of the deep blue sea. If you're ready, XPERIA: Ocean Journey will take you on an unforgettable expedition where you'll learn intriguing facts about sea life and leave with a newfound appreciation for the ocean's beauty.

Activities

Build Your Own Voice App (Oak Ridge Computer Science Girls)

VIRTUAL • May 18

This event is designed for 5th to 10th grade girls with no or very little prior programming experience.

Alexa, Siri, and Google Assistant are very popular technologies allowing you to interact with technology by just talking. What makes those technologies work? The answer is Artificial Intelligence-powered software, like apps! You don't need to work for Amazon or Google to build apps for Alexa and Google Assistant. Anyone can write apps! In this workshop, students will learn how to build their own voice apps using the Voiceflow (www.voiceflow.com) free platform.

Class is FREE, but registration is REQUIRED. These classes are small and fill quickly. Be sure to read the No Show policy before you register.

Girl Scout Sleepover at WonderWorks

Pigeon Forge • May 18-19

Contact WonderWorks groups coordinator at 865-868-1815 or groups@wonderworkstn.com to register.

Have the #bestnightever at WonderWorks! The sleepover includes WonderWorks admission, laser tag, pizza party, scavenger hunt, participation patch for all Girl Scouts, and breakfast upon departure.

Cost: \$45.00+ per person plus tax (where applicable)

*WonderWorks requires a minimum number of total guests in order to host this event. Should the minimum not be met for this date, your troop will be notified well in advance.

Honoring Our Local Heroes Patch Workshop

Knoxville • May 19

This event is designed for troops or girls and their parents/guardians. This is not a drop-off event. Patch included.

Did you know the Southern Appalachians were home to soldiers who fought in the American Revolutionary War? Many veterans of the American Revolution and their families called the Southern Appalachians--including East Tennessee, Southern Virginia and Northern Georgia--home. The holidays are a great time to honor and remember the soldiers who served our country, and this year GSCSA is honoring the brave soldiers who helped found the United States of America.

Join us for this special program where girls will discover what it means to be a veteran, learn about local Revolutionary War veterans, and take action by honoring their service and sacrifice. We have partnered with Veterans Heritage Site Foundation, an organization dedicated to preserving and maintaining Veteran Heritages Sites throughout our region. Girls will have the opportunity to choose a local Revolutionary War veteran, learn about that veteran, and honor that veteran by placing a flag on their grave. Girls and their parents/troop volunteers will select a veteran to research and honor during this workshop.

This is not a drop-off event. All girls must be accompanied by a parent/guardian or troop volunteer. Registration required for all.

Activities

Summer Series: Zumba with Sara

Knoxville • May 20

School's almost out, dance it out! Join us for a session of our Summer Series. Professional Girl Scout/Knoxville Mission Delivery Assistant, Sara Graham, is sharing her expertise and love of Zumba.

Zumba is a class that combines elements of dance and aerobics. Daisies, Brownies, Juniors, and their adults are invited to move to the beat and get their heart rate up. Friends are welcome to register, dress comfortably!

Artificial Intelligence with OceanAI (Oak Ridge Computer Science Girls)

VIRTUAL • May 25

This event is designed for 2th to 4th grade girls with no or very little prior programming experience.

Artificial intelligence is all around us, but how does it work? Through code.org's OceanAI program, girls will explore the wonders of machine learning and how it affects our everyday lives.

Class is FREE, but registration is REQUIRED. These classes are small and fill quickly. Be sure to read the No Show policy before you register.

Where Do Emojis Come From? (Oak Ridge Computer Science Girls)

VIRTUAL • May 25
