Summer is here! Now’s the perfect time to get outside and have some fun under the sun. Get started on your 2024 Girl Scouts Love the Outdoors Challenge patch by participating in some fun outdoor themed activities at this drop-in event!

Cost is $2 per girl which covers the cost of Girl Scouts Love the Outdoors 2024 Challenge patch.

This is not a drop-off event. Adults must accompany girls at all times.

Walk-ins are welcome, but will only receive the patch if they purchase it from the shop.

Girl Scouts are invited to come take a tour of Mayfield’s milk and ice cream plant to see how famous yellow jugs are made at the home of “The World’s Best Ice Cream”. Walk through the milk plant where all the containers are being filled and the little school milk cartons are made and filled. Visitors then walk through the milk processing department and arrive in the ice cream plant, where ice cream is being made and placed in the containers. Then back to the visitor center where participants can enjoy a free dip of ice cream in the courtyard.

To schedule the specially discounted tours for Girl Scouts, please contact the Mayfield Visitor Center Coordinator Donna Ballew at 423-649-2571.

Raft Race Training

Chattanooga • August 8

Cadettes, Seniors and Ambassadors and up are invited to compete in the 37th annual Hiwassee River Raft Race - the longest running Girl Scout Event in our council!

Girls construct their own river-worthy rafts and compete against other teams on a two-hour float: four awards are given each year!

Training is required for first-time participants.

**This is the required training for first-time participants. Separate registration is required for the actual race.**

First Aid, CPR, and AED for Adults and Children

Chattanooga • August 6

This is a blended-learning training with a pre-class online component which participants are required to complete prior to attending.

Registration is required and participants who successfully complete the class will receive a two-year certification through the American Red Cross.

At least one adult from every troop is required to have this training. Cadette (8th grade), Senior, and Ambassador girls are welcome to register as part of earning their First Aid badge. Troop funds may be used to satisfy this requirement.

Registration closes 2 weeks prior to training date to allow you time to complete the online components.

Due to the high demand of this course-- and in order for us to use resources wisely-- refunds will NOT be available after registration has closed. An email with the link and instructions for the online portion will be emailed 10-14 days before the class, and it is participants’ responsibility to check for that email (spam, junk, etc). If you do NOT receive the email, email info@girlscoutcsa.org, and we will re-send.
Outdoor Education covers the essentials for adults to lead a fun, safe, and enriching camping experience. At least one volunteer in each troop is required to complete this training before the troop is allowed to camp anywhere, including our camp properties.

Our Outdoor Education class includes information about planning your camp experience, packing, outdoor cooking, fire building, safety guidelines, and more! Prior to attending this hands-on class, we will provide you with a video learning course through gsLearn, our online learning portal, that will set you up for success in the outdoors. Please note: The registration deadline is August 1 in order to allow participants adequate time to complete the online coursework.

Lunch will be provided as part of the training, so please indicate any dietary restrictions when registering.

Outdoor Education: Train the Trainer is an additional course for adults to be certified to teach Outdoor Education trainings of their own. The course is meant for Service Unit leaders or GS members who would teach the outdoor education training to groups.

In order to take this course, the participant must be either currently certified in Outdoor Education or be signed up for the 08/10/24 Outdoor Education course taking place at Camp Adahi the same day.

Please note: The registration deadline is August 1 in order to allow participants adequate time to complete the online coursework.

Daisies and Brownies are invited to sign up to learn how to craft an object and then tinker to make it better in the Craft and Tinker badge workshop! Cost is $8 and includes the badge.
Family Fun Day - Everyday Superheroes at 5ive Points in Cleveland

Cleveland • August 24

Have you ever wanted to see what the daily lives of our community helpers and first responders are like? Join us in learning more about our local police officers, 911 operators, fire department, and more. This event will be held from 11am to 2pm but is a come and go event.

Please use the following discount code to register for free: GirlScouts24
