TOP THINGS TO KNOW

for the adults

Before Starting

- All Girl Scout memberships must be renewed for the 2025-2026 membership year to participate.
- Decide how your Girl Scout will participate: online, in-person, or both.
- Talk to the troop to pick up an order card (if selling in-person). You'll also need to know when to turn in orders and money.
- Help your Girl Scout set a personal goal and practice her sales message.

Getting Started

- Watch for an email on September 19 that includes a link to set up their online store.
- Set up their online site. Statistics show that girls who create a video and upload it for their personal site sell almost twice as much! Follow these tips to get started:
 - Wear your Girl Scout uniform.
 - Smile and sound enthusiastic.
 - Record the video in landscape format for best results.
 - Keep your video under 2 minutes long.
 - Do not use your full name or other personally identifiable information.
- Collect all money at time of product drop-off.
- Customers can order online and select girl delivery for nut/chocolate items to avoid shipping fees. These products will be delivered with in-person orders.

End of Program

- Total all orders on the in-person orders cards and enter into their online site.
- In their online site, select reward options for levels reached.
- Turn in money and order card(s) to troop.
- Products will be delivered to the troop beginning in November for Girl Scout delivery.
