

Girl Scout Spirit

It's back to Girl Scouts time! Yes, summer may have seemed too short, but there's lots to celebrate with a new troop year. Mark off activities as you do them until you get bingo! You can go sideways, up and down, or diagonally.

By choosing five—or more!—ways to participate, not only will you celebrate all that Girl Scouts has to offer, but you'll also earn a great new patch! (Which can be purchased in our Girl Scout Shop.)
