

Girl Scout Adult Awards Rubric

Appreciation Pin

The Appreciation Pin recognizes an individual’s exemplary service in support of delivering the Girl Scout Leadership Experience. This service, which has had measurable impact on one geographic area of service, helps reach and surpass the mission-delivery goals of the area.

Scope of Impact: One geographic area of service, such as a service unit.

Example of Candidate

At an event, a troop administrator noticed that the diversity of the girls did not match the diversity of the community. She talked with her council staff and found that they had identified a potential for membership increase among the Hispanic communities in her area. She partnered with the service-delivery team to create and implement recruitment strategies to reach both girls and adults and new ways of work to support new members. As a result, Hispanic girl membership rose by 14 percent and adult membership by 15 percent last year. While those new members participated in series and camps, 78 percent of them participated in troops.
