

Girl Scout Adult Awards Rubric

Honor Pin

The Honor Pin recognizes an individual’s exemplary service in support of delivering the Girl Scout Leadership Experience, to reach and surpass the mission delivery goals of the council.

Scope of Impact: Two or more geographic areas of service, such as service units.

Example of Candidate

A facilitator realized that although the council created online courses and resources on the Girl Scout Leadership Experience (GSLE), at volunteer meetings she heard comments indicating that many volunteers still were hesitant to use Journeys to deliver the GSLE to girls. She worked with the Volunteer Management department to develop a GSLE Coach role, which would support all direct-service volunteers as they implemented what they learned in the courses and put Journeys into action. This role was piloted in four service delivery teams where, after the first year, Journey sales increased by 30 percent; girls shared the impact of 14 new take action projects via the council’s website; and the volunteer satisfaction scores increased by 12 percent.
